7.7 Acres of New Waikiki Pleasures. If you're looking for a resort that packs a ton of on-site fun, reserve your spot at Wyndham at Waikiki Beach Walk®, part of Outrigger's huge Waikiki Beach Walk project. This beautiful resort is our first branded Waikiki property, and includes specialty island shopping, cuisine and live entertainment just steps away, and a premium spot just one block from world-famous Waikiki Beach.

Resort Fun. You'll find this resort a fusion of Old Hawai'i style and modern resort pleasures. Color-infused tropical motifs dominate the property, warmed by natural textures, woods and stylized patterns. You'll enjoy inviting common areas and beautifully furnished condos, with full kitchens, washers and dryers, designed to reflect the spirit and warmth of Hawaiian culture — and whirlpool bath pleasures included in each unit as a delightful bonus. If you enjoy meeting your fellow owners and participating in fun activities, our resort staff offers classes, games and other interests for adults, children and families. There is also a library with Wi-Fi Internet access. You'll shop, dine and relax to your heart's content with more than 40 specialty Hawaiian retailers and four name-brand restaurants featuring authentic island cuisine — plus an eclectic outdoor entertainment plaza at the beautiful island-themed Outrigger Waikiki Beach Walk project. Our resort is part of that new development, which spans 7.7 acres along Lewers Street, Beach Walk, Kalia Road and Saratoga Road. It's the largest development in Waikiki history and you'll be at the heart of all the action. When you want to play on golden sand and surf, Waikiki Beach's swimming, snorkeling, surfing and sandcastle fun is one block from your unit.

Beyond the Resort. Take a break from soaking up Waikiki beach fun to soak up O'ahu's rich cultural heritage at 'Iolani Palace. Feeling fairly fit and energetic? Take a hike up Hawai'i's most recognizable landmark, Diamond Head — the views will be worth every huff and puff. Or sit back and let the trolley take you to the best Waikiki hot spots.
